

ADOPTION FEES FOR DOGS AND PUPPIES

Yellowstone Valley Animal Shelter is committed to the partnering of pet animals with homes that will consider them a life companion. Please remember that spaying and neutering your animals will ensure that in the future we will have less stray and unwanted pets in our community. Thank you.

Puppies - Under 16 Weeks

These puppies are too young to spay/neuter. You will pay for the spay/neuter procedure and also a bond. You will receive a date to return the puppy to YVAS to be spayed or neutered. Your bond will be refunded to you.
