

# YELLOWSTONE VALLEY ANIMAL SHELTER CALL FOR MURALISTS

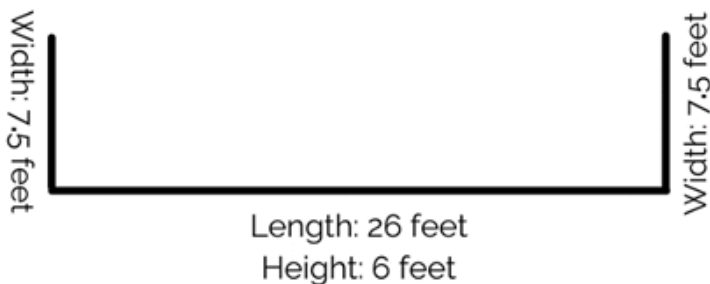

## SUMMARY:

Yellowstone Valley Animal Shelter (YVAS) is seeking artists, as individuals or as teams, to submit proposals for the design and implementation of an original, large-scale, community engaging mural located at the shelter.

The selected mural artist will be responsible for the complete implementation of the mural. Collaboration and consultation with community groups, other local artists, and local businesses are highly encouraged and will be expected for the success of the project.

## PROJECT WALL:

The site is highly visible on a high-trafficked road, and it will be seen by all shelter guests as they pull into the facility. The fence on either side of the mural wall will also be painted Summer 2021 to represent The Rainbow Bridge; a space for honoring and memorializing animals and animal lovers alike. This project will be in the middle of the Rainbow Fence. The mural wall is slightly "U"-shaped; approximately 246 square feet with the dimensions as follows:

## **VISUAL THEME:**

Seeking mural proposals that demonstrate the importance of a pet-friendly community as well as the role that animals play in the lives of people. Proposed designs are encouraged to include some or all of the following elements into the mural: dogs; cats; pocket pets (i.e. rabbits, birds, etc.); landmarks of Montana and/or the Billings area (i.e. Downtown Billings' skyline, Rimrocks, Beartooth Mountains, Yellowstone River, etc.).

Artwork should be uplifting, vibrant, attractive, inviting, and help the shelter's entrance become a memorable place. The mural should be a place that draws in community members to gather and connect.
