To help support your pet's transition home, we share important information such as medical records, vaccination history, and other care-related details electronically.

**I understand and consent to receiving my adopted pet's records and related information via email and/or text message.**

This pet is meant to be a gift. I am answering the following questions from the perspective of the lucky recipient

### Home Owner Association & Rental Policies:

We welcome adopters who rent and adopters who live in apartments or condos. We want to alert you that some landlords, management companies, & home owners associations may have size restrictions, breed restrictions, limits on number of pets, and/or require pet deposits or additional fees.

### Select any pets in currently in your home (check all that apply):

One or more dog(s)

One or more cat(s)

One or more small animal(s)

One or more livestock animal(s)

None

**Tell us about any children in your home (check all that apply):**

- One or more children aged 0-6
- One or more children aged 7-12
- One or more children aged 13-18
- None

**Other information you want to share:**

---

---

**We'll explain this new pet's medical history and behavioral history. Circle any additional topics you'd like to discuss:**
